### Alison Friedman Headlines Our November Meeting

The Retired Faculty Association will convene its second meeting of 2022-2023 on **Thursday, November 17, from 12:00 noon to 2:00 at the Friday Center.**

Our speaker will be **Alison Friedman, the new Executive and Artistic Director of Carolina Performing Arts**, who will tell us about her vision and priorities for Carolina Performing Arts and about its offerings for the upcoming Spring Semester.

Alison came to Carolina in 2021 from the West Kowloon Cultural District Authority in Hong Kong, one of the world's largest arts and cultural developments, and has worked with renowned artists across Asia, Europe, Australia, South America and the United States.

We hope you will join us for another good lunch, an engaging speaker, and stimulating conversations with your fellow emeritus/a faculty members. **Spouses and guests are also welcome.**
